📁 Professional Experience

Software Engineer Intern

05/2023 – present | Dhaka, Bangladesh

Tawoon [🔗](#)

- As an Intern at Tawoon, I've honed my skills in a diverse range of technologies, including C#, SQL, OOP, LINQ, jQuery, HTML, CSS, MVC, Entity Framework, and Identity Framework. With hands-on experience in developing ASP.NET Core MVC web applications, I've successfully generated and managed controllers, Razor views, models, and database migrations. Additionally, I've delved into various architectural patterns and design principles.
